*It's so easy!*

## Home is where the Heart is

*Declutter & decorate*

Building, downsizing, renovating or just want to make space? Get some tips from an expert and be inspired to transform your house into a home that you love.

*Grow, cook, eat.*

Join our organic gardening group, then do a cooking workshop to learn how to turn the produce into a delicious meal.

## Get Active

*Use it or lose it!*

Have fun, stay fit and enjoy being active with our range of dance, yoga, Tai Chi, Qi Gong and walking groups.

## Activities for Kids and Teens

*Are your kids into art, craft and creative activities?*

Arts, crafts, cooking and music activities are available during school terms and school holidays.

Is your teenager looking for somewhere to practice art with others? Do they want to build on their folio development for VCE? Our art class for teenagers helps develop skills in a supportive atmosphere with an experienced teacher.

## Technology and You

*Get connected*

Learn how to make the most of your iPad. Discover the world of Facebook and online shopping. Create Photobooks, eNewsletters or iMovies.

## Learn a Language

*Food for your brain!*

Whether you are planning to travel or you want to keep your brain active, you can explore Italian or Spanish language and culture in our small group classes with our experienced tutors.

## Get Arty. Get Crafty.

*Discover your creative side*

Our tutors are practising artists and our courses cover a range of mediums and techniques: drawing, watercolour, acrylic painting, pastel, collage, life drawing, botanical illustration, pottery and Japanese ink art. Courses are for beginners and beyond and provide inspiration, encouragement and a friendly studio environment.

*Explore making by hand*

We offer courses in mosaics, leadlighting, textile crafts, knitting and crochet, sewing and soy candle making. You can even "craft for a cause" – a whole day of social crafting that also raises funds for good causes.

## MAKERSPACES

*More ideas. More sharing*

Share the space with other makers, learn from each other and connect with the local "maker" community.

We offer MakerSpaces for artists, potters and crafts people – from leadlight and mosaics to sewing, knitting and scrapbooking. It's flexible, affordable and fun.

## Do you have the Music in you?

*Play music*

Have you always wanted to play music? Join our harp or guitar groups to begin your musical journey!

## Career Minded

*Looking for skills to help with your job search?*

We can help with resume writing and computer skills. We can offer group or 1 on 1 tutoring to update your skills in Microsoft office programs like Word, Excel, Powerpoint and Outlook.

*Looking for a career in horticulture?*

Introduction to Horticulture is run in partnership with Edendale, community farm and environment centre, and covers a range of topics ideal for people who love gardening or who would like an introduction to the industry. No prior experience is necessary. Starts in October.
